## Measuring technology/Laser

### Carrying case box-on-box system

---

The carrying case system ensures order and utilises the space perfectly. Thanks to the elaborate inserts, the machines, accessories and consumables are clearly arranged. Simply attach the boxes – they lock automatically. Thanks to the innovative Duo-Click system, the boxes can be connected, stacked and quickly disconnected again. Rigid drill holes have been prepared for the use of a padlock. The boxes can be loaded up to 90 kg. Without insert.
