Safety vacuum cleaner compact class

VCE 26 L MC

Order no. 405.426**Safety vacuum cleaner with manual filter cleaning system, 25 l, class L**

- Handy and compact vacuum cleaner, easy to use and easy to transport
- The high-performance turbine ensures both a high suction capacity and a high vacuum. The outcome is an excellent extraction result
- By actuating manual filter cleaning, dust deposited in the filter element is removed by a targeted blast of air.
- Level monitor, no malfunctions when drawing in liquids thanks to installed float valve
- With appliance socket and electronic automatic switch on/off
- Soft start stops any voltage peaks at the start and the run-on feature (5 sec. overrun) empties any remaining dust in the vacuum hose
- Suction control, suction adapted to the tool by stepless control
- With accessories magazine for suction nozzles and suction tubes on the back
- Equipped with large wheels and two swivel guide rollers
- Suitable for increased stress when used commercially. Ideal for cleaning work in offices, storage rooms, workshops and vehicles. Smaller electric power tools, e.g. palm sander, delta sander, random-orbit sander, jigsaws, are primarily used for extraction work. Tools which produce fairly low amounts of dust
- With blowing function for the easy removal of leaves in outside areas such as drive ways
- Features a filter bag made of highly tear-proof fleece for optimum filling. The extracted dust can be disposed of without difficulty
- Safety vacuum cleaner, approved for dust class L, suitable for all dust with OEL value >1 mg/m³

Technical attributes	VCE 26 L MC
Power input P. max.	1250 watt
Max. volume flow	3600 l/min
Max. vacuum	21000 Pa
Filter surface	3000 cm ²
Container volume	25 l
Capacity liquid	16 l
Power take off	100-2600 watt
Size (W x L x H)	397 x 377 x 533 mm
Weight	8,4 kg

Standard equipment
Suction hose 32 mm Ø x 3.5 m with elbow
1 filter element class L/M
2x 0.5 m aluminium suction tube
1 combination floor nozzle, switchable
1 round brush
1 crevice nozzle
1 upholstery nozzle
1 filter bag
1 PP waste disposal bag
1 suction pipe holder
1 cable hook
1 flexible hose strap for hose holder
1 rubber tool bush
1 box for accessories with holder
